12 ADJUSTMENT OF CONTRACT SUM

12.1 INTRODUCTION

This chapter provides:

- The guidelines and general procedures for the adjustment of Contract Sum.

12.2 PROCEDURES

Please refer to Flowchart 12.1 – Adjustment of Contract Sum.

Step	Procedures / Tasks	Action By / Reference
1	<u>Generally</u>	For Information

The contract allows the Contract Sum to be adjusted due to the following circumstances:-

- i) Variations orders issued during construction
- ii) Finalisation of Prime Cost Sum
- iii) Finalisation of Provisional Sum
- iv) Finalisation of provisional quantities
- v) Calculation of variation of prices
- vi) Adjustment of errors made in the bill of quantities
- vii) Items under the contract but not executed without any APK omission
- viii) Approved claims

The adjustments of the Contract Sum for the above are made by issuing JKR-PHK form.

2	<u>Adjustment of Contract Sum</u>	Action by: CAO
	Refer to <u>Checklist for Adjustment of Contract Sum.</u>	<i>Refer: Appendix 12A</i>

a) Variation Orders

Every issuance of JKR-APK must be followed by the issuance of Form JKR-PHK.

The provisional amount stated in the JKR-APK must be finalized through Form JKR-PHK, even if there is no difference between the provisional amount and the final value of the Variation works.

Refer Chapter 11 - Variations

The adjustment is made as soon as variation works is completed.

Step	Procedures / Tasks	Action By / Reference
	b) Adjustment of Prime Cost Sums	
	<p>Check that the works is awarded to the nominated subcontractor/ supplier. Omit the original PC Sum and add the awarded NSC's/ NS's contract sum and profit and attendance which is allowed in Contract.</p> <p>The final adjustment is made after completion of works and final cost is ascertained. PC Sums that are not used shall be deducted from the Contract Sum.</p>	<i>Refer also Chapter 20 – PC and Provisional Sum.</i>
	c) Adjustment of Provisional Sums	
	<p>Omit the original Provisional Sum and add the amount approved in accordance to the current procedures for utilization of Provisional Sums.</p> <p>The adjustment is made after completion of works and final cost is ascertained. Provisional Sums that are not used shall be deducted from the Contract Sum.</p>	<i>Refer also Chapter 20 – PC and Provisional Sum</i>
	d) Remeasurement of Provisional Quantities	
	<p>Where the quantities of the Works are stated as "provisional" in the bill of quantities, such quantities are the estimated quantities which shall not be taken as the actual and the correct quantities of Works to be executed by the contractor in the fulfillment of his obligations under the contract. The amount to be paid to the contractor in respect of such Works upon completion of this contract shall be ascertained by remeasurement of the work as it is actually executed.</p> <p>If the actual quantities is more than the provisional quantities in the bill of quantities, approval from "Jawatankuasa Tambahan Kuantiti Sementara" using form JKR-KKS is required.</p> <p>The value of such work executed by the Contractor shall be set off against the amount for the work in the bills of quantities, and the balance shall be added to or deducted from the Contract Sum as the case may be.</p>	<i>Please refer to the current Treasury Instruction No. 202, Schedule 3</i> <i>Refer SP JPS Bil. 5/2008</i>

Step	Procedures / Tasks	Action By / Reference
	e) Variation of Prices The Variation of Prices exercise must be carried out in every Interim Payment, and the final adjustment is made after the whole of the Works is completed. For Civil Works, ensure the adjustments made must not exceed the quantities allowed in Contract. The valuation and calculation must be in accordance with the Special Provisions to the Conditions of Contract. The net total of any such increases or decreases shall be added to or deducted from the Contract Sum as the case may be.	<i>Please refer to SPP 3/2008</i>
	f) Errors in Bills of Quantities Any error in description or quantity or omission of Works from the Bill of Quantities shall not vitiate the Contract but shall be rectified and the amount in respect of such rectification shall be added to or deducted from the Contract Sum as the case may be.	
	g) Items not executed without any APK Any items under the contract not executed by the Contractor without any instruction from the SO shall be deducted from the Contract Sum.	
	h) Approved Contractual Claims The amount of contractual claims approved by the Claim Committee, or Ministry of Finance, shall be added to the Contract Sum.	
3	Approval of Certificate of Adjustment of Contract Sum Check that all the details are correct.	Action by: CA
	The Form JKR- PHK must be signed by the Superintending Officer (or Project Director, as the case may be) named in the Contract.	Action by: CA
